The Budget Control Act: Focus on Discretionary Spending

Source: GAO analysis of data from the Congressional Budget Office.

Discretionary spending includes much of what many think of as “government” such as spending on national defense, homeland security, veterans health benefits, national parks, highways and mass transit, and foreign aid.

Beyond the Drivers: What Agencies Can Do

- Better manage costs and risks
- Contribute to discussion about program priorities and relative effectiveness
- Look for overlap, duplication, fragmentation
 - Within agency, across agencies, across spending, credit & tax programs
